MEDICINAL

"I've Lost Ten Pounds"

A man says, "Look at this." And he over-laps his coat to show how loose it is. There are some people who can lose fat to advantage, but the loss of flesh is one of the accepted evidences of failing health. As flesh-making processes begin in the stomach, so naturally when there is loss of flesh we look first to the stomach for the cause. And the cause is generally found to be disease of the stomach and digestive and nutritive tracts, resulting in loss of strength and consequent physical weakness.

Doctor Pierce's Golden Medical Discovery restores the lost flesh by curing diseases of the stomach and other organs of digestion and assimilation of food from which flesh and strength are made.

"My wife was for five years troubled with indigestion, stomach and bowels, bloating and severe pain at times during the entire five years," writes Mr. J. Miller Unger, of McConellsburg, Pa. "Her heart was affected, and she took a purgative every few days but only received temporary relief. She got very poor in flesh and I bought one bottle of Dr. Pierce's Golden Medical Discovery from our druggist and after taking it she said she felt like a new woman. Has no more trouble with stomach and bowels, and has no more bloating. Has gained fifteen pounds in weight."

Dr. Pierce's Pleasant Pellets cure constipation and biliousness.

HICKS FOR APRIL.

April the 1st and 2nd are reactionary storm days and a decided rise in temperature with rain and thunder may be expected about that time.

Cloudy and unsettled weather will be natural for several days about the 4th. Near the 7th it will change to very warm in western sections, and storms of rain with some active hail, thunder and wind, will pass eastwardly over most parts of the country from the 8th to the 11th inclusive. Let it be remembered that we are still under the influence of the earth's vernal equinox, and that both Vulcan and Mercury will blend their powers, bringing a marked crisis from Wednesday the 8th to Sunday the 11th. Look for high temperature, rain, thunder and hail, followed by westerly gales and a very decided change to cooler.

After a few chilly mornings more April storms will centre about the 13th and 14th. Scattering "April showers" may be expected at almost any time and especially as we pass into the reactionary and regular storm period.

A regular storm period is central on the 19th. As we enter this period look for change to much warmer to set in from the west—say about the 17th. From about Saturday the 18th to Tuesday the 21st very decided storms will run their regular course from west to east across the country. As in the other storm periods in April look for the cool nights to follow at the close of this period.

The next period in which storm conditions will develop and run their course from west to east will be central on the 24th and 25th, and on and touching those dates a series of electrical storms are almost certain to develop.

April comes to its close in the opening days of a Vulcan storm period, hence change to warmer will be in progress as the month goes out.

"Summing up the whole matter, we believe that April will be an average good month for all industries. The last half especially will be fine and pleasant. Showers must be expected with an occasional hard storm, but we do not predict an excess of general rains, but rather the other extreme."

A SAD STORY.—Mrs. Elizabeth Robinson, a widow, 40 years old, committed suicide sometime yesterday in New York by shooting herself in the right temple. The loss of a fortune of \$90,000 is supposed to have been the cause. Nine years ago Mr. Robinson died, leaving her \$90,000. Since that time she has frequently dabbled in stocks, it is said, and lost the entire amount. She had been in such dire straits recently, it is said, that she was compelled to mortgage her furniture and promised to pay back \$10 a week of the sum borrowed. A friend of the family, John Quinn, has been caring for Mrs. Robinson as much as possible since he knew of her financial difficulties. Recently Mrs. Robinson had told him that it would be necessary for her to get a position in order to support herself. In one of the papers yesterday Quinn saw an advertisement for a lady cashier, which he thought Mrs. Robinson might answer. He went to her apartment to tell her about it. After knocking for sometime on her door and receiving no response, he rang the bell of Mrs. Gertrude Horwitz, across the hall. Quinn told Mrs. Horwitz that he suspected something was wrong, and requested permission to go along the fire escape and look through the windows. He went along the fire escape to the kitchen, and finding the window open, stepped into the apartment. He walked through to the bedroom and found Mrs. Robinson in bed, dressed in a nightgown, and dead. She had shot herself in the right temple.

ATTEMPTED ASSASSINATION.—The attempt on the part of a woman to shoot Marcel Prevost, the novelist, in Paris yesterday, was stated in the Gazette. It appears that as M. Prevost was entering the offices of the Society of Men of Letters, in the Rue Rougemont, where the election of officers for the coming year was about to be held, a stylishly dressed young woman, whose name was afterwards given as Mile. Emma Tourret, fired two shots from a revolver at him, at the same time calling him by name. Both shots missed, and the woman was about to fire a third time when M. Prevost disarmed her. She was taken temporarily into custody, and explained that she had known M. Prevost in London sometime ago. His avoidance of her since that time had prompted her to seek to avenge herself, but she did not intend to kill the novelist. M. Prevost refused to follow up the matter, and Mile. Tourret was set at liberty. It is stated that the woman's brother vainly tried to force a duel on M. Prevost.

A household necessity.—Dr. Thomas' Electric Oil. Heals burns, cuts, wounds of any sort; cures sore throat, croup, catarrh, asthma; never fails.

BLEEDING LUNGS

Cured by Dr. Bull's Cough Syrup, the old reliable cough cure.

Wm. H. Breder, of Christie street, New York City, writes: "I have had a cough ever since my childhood. It was so bad that blood would spurt from my nose, which would leave me weak, so that I was often compelled to leave my work. Started to take

Dr. Bull's Cough Syrup

and before the third bottle was finished my cough was entirely gone."

Dr. John W. Bull, who discovered Dr. Bull's Cough Syrup 50 years ago, was the most successful doctor for all throat and lung diseases the world has ever known. No other doctor has ever been able to devise a better formula. There is no case of throat or lung trouble which Dr. Bull's Cough Syrup will not cure.

DO NOT ACCEPT SUBSTITUTES. Do not accept some cheap imitation that contains harmful drugs. Insist on getting "DR. BULL'S." Price 25c. See that the "BULL'S HEAD" is on the package. SMALL DOSE. PLEASANT TO TAKE.

CUT SWEETHEART'S THROAT.—Forrest McCord, a barber, aged 24 years, living at Bournville, Ohio, yesterday killed Charity Storrs, aged 20 years, by cutting her throat from ear to ear with a razor, after which he cut his own throat in a like manner. The deed was done at the girl's home, near South Salem. McCord and a number of companions were drinking heavily Sunday, and he struck one of them with a beer bottle. A warrant was issued for his arrest. He left his home immediately for the Storrs home, eight miles distant, and found the young girl alone. Her mother was in an upstairs room. He remained with Miss Storrs for about an hour, when he screamed brought the mother to the stairway, and she saw her daughter in McCord's arms, covered with blood and her head almost severed from her body. She rushed down stairs, but before she reached the first floor McCord dropped the girl and drew the razor across his own throat and fell to the floor. McCord and Miss Storrs had been sweethearts for several years. It is supposed that McCord, fearing arrest, was filled with remorse and went to the Storrs home and committed the deed.

A NEW REMEDY.—The old friends of Chamberlain's Cough Remedy will be pleased to know that the manufacturers of that preparation have gotten out a new remedy called Chamberlain's Stomach and Liver Tablets, and that it is meeting with much success in the treatment of constipation, biliousness, sick headache, impaired digestion and like disorders. These Tablets are easier to take and more pleasant in effect than pills, then they not only move the bowels, but improve the appetite and correct any disorders of the stomach and liver. For sale by Richard Gibbons, druggist.

What's In a Name? Everything is in the name when it comes to Witch Hazel Salve. E. C. DeWitt & Co., of Chicago, discovered, some years ago, how to make a salve from Witch Hazel that is a specific for Piles. For blind, bleeding, itching and protruding Piles, eczema, cuts, burns, bruises, and all skin diseases, DeWitt's Salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's—the genuine. E. S. Lendebarger & Son.

In reply to inquiries we have pleasure in announcing that Ely's Liquid Cream Balm is like the solid preparation of that admirable remedy in that it cleanses and heals membranes affected by nasal catarrh. There is no drying or sneezing. The Liquid Cream Balm is adapted to use by patients who have trouble in inhaling through the nose and prefer spraying. The price, including spraying tube, is 75 cents. Sold by druggists or mailed by Ely Brothers, 56 Warren st., New York.
